

# Reflecting God's glory

"God's glory" = his style and way of doing things.

- How do you reflect God's glory? Draw, doodle or write your ideas in the mirror.
- What of God's glory do you wish you reflected more? Draw or doodle these ideas outside the mirror as your prayer, trusting that God is at work, changing you.

"So all of us...can see and reflect the glory of the Lord. And the Lord...makes us more and more like him as we are changed into his glorious image"

2 Corinthians 3:18 (NLT).
